SURCHARGE OR REFUND—WHERE DOES YOUR ORGANIZATION STAND WITH WorkSafeBC?

WorkSafeBC costs are increasing and can represent a significant burden on employers' bottom line. The pressures of WorkSafeBC legislation and the experience rating program only add to the challenges of running a successful business in today's economy.

- ⇒ Do you know how to avoid WorkSafeBC experience rating penalties?
- ⇒ Are you aware of the WorkSafeBC changes and how they will impact you?
- ⇒ Have you received the cost relief you are entitled to?

Organizational Solutions Inc. invites you to attend this exciting two hour lunch, information and networking session.

Hear renowned speaker Liz Scott, PhD and Principal of OSI discuss her 20 years of experience and expertise in successfully assisting employers in reducing their disability and WorkSafeBC risk.

This seminar will assist you in understanding how to avoid unnecessary WorkSafeBC claims and cost, prevent WorkSafeBC surcharges and potentially obtain refunds under the parameters of the WorkSafeBC system.

SPEAKER - Liz Scott PhD, MEng, MBA, MSc, BSc, RN, COHN-S, CRSP, CDMP

Liz Scott is the Principal of Organizational Solutions, Inc., a leading national Disability Management firm with an office in Burnaby. She is an accomplished Disability Management professional recognized for award winning cost reduction results.

Liz's unique background successfully combines knowledge and experience gained as a Health, Safety and Risk Executive in a variety of industries including: consumer goods, automotive, retail and other manufacturing in both Canada and the United States. Additionally, Liz currently teaches at McGill and Ryerson Universities and previously taught for 11 years at Sheridan College.

Liz regularly speaks at conferences and forums and is frequently published on topics surrounding her areas of expertise. She has been a guest on the CBC *Radio One Morning Show*, authored a textbook on Comprehensive Disability Management and most recently was a 2009 *Ernst & Young Entrepreneur of the Year Award* finalist.

The RIGHT care, at the RIGHT time, for the RIGHT outcome®.
